

General Information

Registration - Registration for this CLE seminar has been kept deliberately simple. The fee includes the sessions themselves and course materials. **Lunch is on your own.** There is a small deli in the building that serves sandwiches and the like. The book store also may have some lunchables. There are a few nearby restaurants.

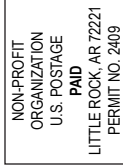

Hotel Accomodations - For those of you who will be coming from out of town, Little Rock has plenty of hotels. The closest is the Holiday Inn Presidential Center. No special rate has been arranged.

Accommodating Special Needs - If you will need special facilities or assistance relating to a disability, please contact Steve Schulte at the address provided on the registration form.

CLE Credit - The program has been accredited by the Arkansas Continuing Legal Education Board for a total of 6.0 credit hours, including one hour of ethics. Attendees who are licensed in other states are responsible for applying for their own CLE credit in those states. Non-attorney attendees seeking continuing education credit in their own fields are responsible for applying for credit themselves.

Cancellations - Refunds, minus a \$20 administrative charge, will be given to registrants whose cancellation is received by March 27. If you do not cancel and/or do not attend, you may order the course materials for \$30.

Descriptions and Goals

DESCRIPTION AND GOALS: Whether advising clients on ways to assure that their pets are taken care of adequately in the event of their own death or disability, or addressing issues of liability, or any of dozens of developing subjects, the lawyer faces many challenges in this area. Our program offers INEXPENSIVE, quality continuing legal education to the bar. *Proceeds will benefit the Humane Society of Pulaski County, with a portion of the proceeds also going to CARE (Central Arkansas Rescue Effort for Animals).*

(ABOUT THE BENEFICIARIES: The Humane Society of Pulaski County is a local, non-profit organization which receives NO governmental funding. It is NOT a subordinate unit or arm of any national organization. It depends entirely on donations and operates a "no-kill" shelter dedicated to the care and adoption of homeless, abused, and abandoned animals.

CARE is a local nonprofit rescue/spay-neuter organization. It operates programs which include rescue, fostering, and adoption of animals, as well as providing clinics and grants to assist pet owners in sterilizing their pets.)
