

Proud Parent Sponsorship Information & Form

Love your pet so much you want to scream it from the rooftops? We've got the next best thing! YOU can become a Proud Parent sponsor of Paws on the Runway, and we'll display a photo of your furry friend at the event for just a \$100 donation to CARE! This opportunity is open to all pet parents, not just those who have adopted from CARE! Want to feature more than one pet? No problem! Your \$100 donation covers one photo, so you can either submit one photo with all your pets in it or buy extra sponsorships for separate photos. To become a Proud Parent Sponsor submit your donation, this form, and a photo of your pet(s) (highest resolution possible, please) to director@careforanimals.org on or before **September 30th!**
